

91 2016 Tenuta Capofaro **Points** *Didyme Salina IGT*

Pale straw. Aromas and flavors of apple and pear, with hints of lemon verbena and thyme. Bright, fresh and juicy, with a very precise quality and lingering freshness on the lovely finish. Perhaps the best dry Malvasia wines from Tasca I have memory of, and one that reminds me of the Malvasia di Lipari variety. Didyme is the ancient name of the Salina island.
