91 2012 Fattoria Selvapiana

Points *Fornace* Toscana IGT

The 2012 Fornace offers evident succulence and rich flavors of red cherry, blackberry, spice and grilled herb. The results are balanced and intense, but they don't come on with too much strength or power, and this is a big point in the wine's favor.

This Tuscan red should evolve nicely over the next ten years as it loses its baby fat.
