91+ **2012 Selvapiana Pomino**
Points Villa Petrognano DOC

This is an impressive wine. The 2012 Pomino Villa Petrognano is beautiful on all levels. The consistency is silky and elegant. The aromas focus on fine nuances of forest berry, red currant, pressed violets, mild spice and crushed river stone. All of these tones are linked together with smooth and seamless transitions. The wine is mostly Sangiovese with smaller parts Merlot and Cabernet Sauvignon for structure and power.
