Italy, Sicily: A Generational Change

92 2015 Tasca d'Almerita Tenuta **Points** Capofaro Malvasia Salina IGT

The 2015 Tenuta Capofaro (500 ml) showcases the beauty and potential of winemaking on the island of Salina. The wine is lower in alcohol than you might expect (at 10.5%), but it delivers attractive power and definition nonetheless. Its identity is largely pegged to the wine's aromas that are fragrant and intense. Tangerine skin, preserved lemon, honey and exotic fruit are part of this pretty package.

91 2015 Tasca d'Almerita *Didyme* **Points** Tenuta Capofaro Salina IGT

From the Tasca property on the island of Salina, the 2015 Malvasia Didyme Tenuta Capofaro is a gorgeous wine that packs a few very delicious surprises. This dry white wine showcases the floral intensity of Malvasia with white rose and jasmine. But, it also delivers salty minerality that comes from the sea breezes that wash over this tiny Mediterranean paradise. The wine's appearance is crystalline and bright.
