Points Barolo DOCG

The 2013 Barolo Lazzarito shows the power and the intensity of the Serralunga d'Alba township in full force. This is a wine with broad shoulders that carries itself with a confident and proud personality. The wine is infused with dark fruit, blackberry preserves, clove, tar, pipe tobacco, earthy truffle and balsam herb. In terms of Nebbiolo aromas, this wine offers all the classic descriptors. Despite its firmness and the importance of its structure, the wine offers a beautiful degree of richness and succulence that certainly plays in favor of its hedonistic appeal. The Barolo Lazzarito went on the market in March 2017.
