89 2015 Masseria Li Veli

Points Susumaniello Salento IGT

I just love the soothing sound of the grape name Susumaniello. This expression from Masseria Li Veli offers generous layering and dark fruit flavors to further soothe your senses. The 2015 Susumaniello is a plump and chewy red wine that shows the sweetness and the intensity of the sunshine in Puglia in the deep south of Italy. The wine is layered and super plump with dried cherry and cinnamon on the rich finish.
