## **87** 2016 Cantina *Riff*

### **Points** Pinot Grigio delle Venezie IGT

Packaged in a screwcap bottle, the 2016 Pinot Grigio is a fresh and forthcoming vinous package from the cool climate of Northern Italy. This is a straightforward Pinot Grigio that does not offer any other bells and whistles on top of what you should expect from this workhorse grape. But you can count on this wine to be well made and fresh on the finish, thanks to those citrus and peach flavors.

**You absolutely can't beat this low, low price.**
