vinous

The 2023 Soave Classico Foscario is
youthfully coy, with a delicate blend of lime
zest, sweet sage, crushed green apples and a
subtle whiff of spice. It possesses a core of
zesty acidity and depths of salty minerals, as
well as a silken wave of nectarine and citrus
that soothes the senses. The 2023
reverberates with tension, crisp and long,
leaving a crunchy sensation and the palate
completely reset for another salty sip.
