MARCH 2025

vinous

The dusty and floral 2023 Susumaniello Askos offers a refined bouquet of crushed blackberries, incense and exotic spice. Silky and round, its core of tactile minerals adds form toward the close. The 2023 finishes structured and long, leaving a coating of fine tannins and a lingering resonance of polished wild berry fruit. This could use some time in the cellar to come fully into focus, but it shows the complexity that Susumaniello can deliver.
