## 2022 ALOIS LAGEDER SCHIAVA ALTO ADIGE DOC

Alto Adige! It lies in the very north of Italy. Schiava is the grape. Quite an alive wine, slightly prickling on the tongue! More natty skewing:

Biodynamic, made from **organic grapes**, the label warning of potential turbidity, carbonic acid, or tartrates. Also, VERY pleasingly, it comes in a lightweight glass bottle—much more friendly than those heavy big baller bottles. Schiava is known for its chillable red ways: lightweight and lithe but with pleasingly lingering tannins—not quite velvety but almost. Lots of red fruits, some herbs, a bit of violets, finishing with plum jam.

**Glug-tastic.** - Ellen Clifford, Delectable - Dec 2023
