## 2023 VIETTI ROERO ARNEIS DOCG

MAY 2024

JEB DUNNUCK

*Pale silver/straw-colored, the 2023 Roero Arneis needs more time in bottle to settle down. Offering a bright, pretty bouquet of green melon, citrus blossoms, chives, and candied lime, on the palate, it's lean, medium-bodied, and spritely, with a fresh lift, forward notes of citrus, and an herbaceous pithy feel. Clean and bright, it has good ripeness as well. Drink 2024-2028.*
