MARCH 2023

vinous

Spicy and darkly floral, the 2019 Cabernet Bradisimo opens slowly in the glass with exotic spices and crushed rocks giving way to black currants. This is cool-toned and racy in style, holding its power in reserve as a wave of ripe red and black fruits drench the palate in youthful concentration. Saline minerals mingle with gruff tannins through the long and structured finale, just begging for extended cellaring as traces of hard red candies slowly fade.
