

Casanova di Neri

IRROSSO
di
Casanova di Neri 2016
Toscana Rosso IGT

The most recent creation from Brunello producer, Casanova di Neri. A blend of primarily Sangiovese from their Brunello vineyards with a small addition, 20% of Cabernet Sauvignon, Petit Verdot and Colorino from Sant'Antimo. The wine is aged for a year in small French oak barrels. This is the most approachable of the Neri wines.

The 2016 vintage gave a very drinkable Irrosso but capable of developing into a richer wine over the years.
