**2023 LA VALENTINA
CERASUOLO
D'ABRUZZO DOC**
MAY 2024

vinous

The 2023 Cerasuolo d'Abruzzo presents a translucent cherry-red hue in the glass. Savory and floral on the nose, it unfolds with rose petals, leather, tea leaves, strawberry and cherry aromas. Zippy and energetic in the mouth, a chiseled, bracing phenolic structure gives the wine shape and form. The 2023 finishes clean and refreshing, if a hair short—a particularly vinous style of Rosé that would certainly be at home on the dinner table.
