OCTOBER 2020

Forbes

In the old days around Modena, the workers found refreshment in a light, pink, effervescent wine made from the runoff of grapes that were piled into delivery carts. The Chiarli family pays homage to this tradition with its nonvintage Brut di Noir Rosé Spumante V.S.Q. Based on the Lambrusco Grasparossa grape variety, this wine gets its delightful pink hue from just a short period of skin contact, with 15% Pinot Nero. The Brut de Noir Rosé is a fully sparkling wine, produced in a single fermentation in an autoclave—a piece of technology unavailable to those thirsty farmers of the past
