**Enrico Serafino "Oudeis" Rosé de Saignée Alta Langa DOCG Brut 2020** - Dusty and sweetly floral, the 2020 Brut Rosé de Saignée Alta Langa Oudeis opens in the glass with hints of spice, dried strawberry and clove. It washes across the palate with crystalline bubbles further enhanced by a wave of ripe white cherries and sweet inner florals. The 2020 tapers off with medium length and clean, leaving a gentle mineral tinge and sour citrus on the finish. **91**

**Enrico Serafino "Oudeis" Alta Langa DOCG Brut 2020** - The 2020 Brut Alta Langa Oudeis opens in the glass with an herbal tinge that gives way to notes of crushed stone and yellow apples. It possesses an inner sweetness and creamy bead of bubbles contrasted by crisp mineral tones and tart orchard fruits. This displays a lovely balance, finishing fresh with hints of almond custard and zests of lime that fade slowly. **90**

**Enrico Serafino "Zero" Alta Langa Riserva DOCG Pas Dosé 2018** - The 2018 Alta Langa Riserva Zero Pas Dosé opens slowly in the glass, a bit withdrawn at first, slowly evolving with hints of young peach, mint leaves and crushed stone. It washes across the palate with a sensation of liquid rocks, driven by an intense, zesty acidity as tart orchard fruits saturate the palate. Distinctly savory, the 2018 leaves a tinge of sour citrus and a salty flourish to linger through the long finale. **91**
