2021 TENUTA TASCANTE "GHIAIA NERA" ETNA DOC

92

JUNE 2024

vinous

The 2021 Etna Rosso Ghiaia Nera is intense, smoky and ashy, opening with a burst of crushed strawberries complicated by hints of blood orange and clove. This is a model of purity, with zesty red berry fruits and a core of salty minerality that comes forward toward the close. Brisk acidity maintains fantastic balance. A web of fine tannins lingers long, creating a classically dry sensation and youthful tension as sour cherry tones taper.
