**2018 INAMA
"CARMENERE PIÙ"
VENETO ROSSO IGT**
APRIL 2022

vinous

The 2018 Carmènère Più is dark and rich, with masses of ripe cherries complemented by autumnal spice and hints of ash. This is a juicy and vibrant effort with violet-tinged red berries and pretty inner florals. Flowers upon flowers, both purple and blue-toned, form through the long and staining finale, yet it remains only lightly structured. The 2018 is a highly pleasurable rendition of the Carmenerè Più. Of note is that this is balanced by a 15% dollop of Merlot.
