**2017 INAMA
"CARMENERE PIÙ"
VENETO ROSSO IGT
DECEMBER 2021**

Robert Parker
WINE ADVOCATE

A blend of 75% Carmenère and 25% Merlot, the Inama 2017 Carmenere Più is soft and carefully contained as far as Carmenère is concerned. That element of Merlot goes a long way to bring out the softer lines and plusher flavors in this versatile red wine. The wine is redolent of dark cherry and dried plum, and you get a good amount of spice, smoke and crushed white pepper.
