## 2021 INAMA "FOSCARINO" SOAVE DOC CLASSICO

96

OCTOBER 2024

*This bottling is a serious wine that demands attention and respect, yet is inviting enough to just enjoy. Roasted peach, petrol, and Gravenstein apple aromas are a complex tapestry, woven together with threads of pressed flowers and honey. It's a bouquet that's both rich and refined. The wine is rich and mouthfilling. Yet, it's not a wine that rests on its laurels—focused acidity keeps the palate fresh and lively, like a bright beam of light cutting through the richness. Roasted citrus peel adds a subtle bitterness that complements the wine's youthful fruit forwardness. This Soave is a beauty and a powerhouse: a wine that's not afraid to make a statement. It's textured and salty, with a finish that lingers long after the last sip is gone.*
