*Robert Parker*  
WINE ADVOCATE

Made with air-dried grapes, the Tenuta Scerscé 2018 Sforzato di Valtellina Nebbiolo Infinito opens to a medium-dark color and moderate fruit weight that feels velvety, rich and open-knit. The sforzato, or appassimento, process brings on extra heft and intensity for sure, but the Nebbiolo grape never loses its inner grace and poise. Aromas of dried rose, wild cherry, plum and sweet earth rise from the bouquet. A pretty layer of cured tobacco gives the wine a more fleshed-out feel on the close.
