A hauntingly complex and finely detailed nose that touches so many different characters. Roses, dried wood, cedar, fine brown spices, light earthy notes, warm stones, mountain herbs and leaves. All here – very complex. The density and weight is exceptional, as is the fine, firm weave of tannins. The length is staggering and the tautness and balance are captivating. One of the stars of the vintage!

This is a very youthful Barolo that has attractive, fragrant perfume with freshly picked roasting herbs and a strong, central thread of ripe cherries and red plums. The pure and concentrated palate frames intense plum and cherry flavors in long, unwavering tannins that deliver rich, strong and seamless into the finish. Exceptional quality and built for aging.

The beautifully fragrant roses are impossible to resist. This oozes charm. Also, there are red cherries, cocoa powder and an array of wild herbs in the mix. The palate has toned yet muscular tannins that build nicely to deliver a concentrated core of ripe red-cherry flavor that holds long, fresh and youthful. Great Barolo.

This has a rather reserved nose with dried-herb, rosehip, potpourri and light cedary aromas, ahead of fragrant dried cherries. The palate has quite dense and smoothly rendered, ripe tannins that deliver a long, composed and approachable Barolo.

Plenty of perfume here with abundant roses and violets, as well as spice-dusted red cherries and hints of orange rind. The palate has depth and density with a sense of power and detail to the tannins. Long, dense and fresh.
