## 2021 VIETTI BARBERA D'ASTI LA CRENA DOCG

94

MAY 2024

JEB DUNNUCK

From the sandier soils of Asti, the 2021 Barbera D'Asti La Crena is forward in the glass, with mineral-driven aromas as well as notes of bright red plum, dusty earth, wild herbs, and peppery spice. Medium-bodied, it has a more vertical and mineral-driven texture, with bright acidity and more tension through the finish. It has fine tannins and a wonderful energy that carries through to its clean finish. Drink 2024-2034.
