The 2021 Barbera d'Asti La Crena is exceptional. Bright, red-toned fruit, chalk, mint, white pepper and rose petal are all beautifully delineated. In recent times Vietti has focused more on freshness in their Barberas, and that is especially evident in La Crena—a wine that used to be very dark and heavy but is far from that today. Clean, mineral notes extend the vibrant finish. Give this a few years to develop the full range of its aromatic breadth. What a wine!
