2019 LI VELI "ORION" PRIMITIVO SALENTO IGT

JULY 2021

vinous

Purple-toned florals, blackberries, sage and hints of wet stone lift up from the 2019 Primitivo Orion. This is a soft and pliant effort, presenting a savory fruit profile and salty minerals that add tension toward the close. It tapers off with medium length to a buzz of residual acids and hints of sour citrus.
