RIPASSO  
SUPERIORE DOC**

**FEBRUARY 2024**

**vinous**

The 2021 Valpolicella Ripasso Monti Garbi is dark and attractive, with a blend of dusty dried flowers, exotic spices and dried black cherries smoldering up from the glass. This displays silky textures, balancing ripe wild berry fruits against saline minerals and a bitter tinge of sour orange. It tapers off long, leaving the mouth watering for more as rosy inner florals and hints of tart raspberry slowly fade. The savory Ripasso possesses a balance seldom seen.
