2023 TENUTA WHITAKER "MOZIA" GRILLO SICILIA DOC

APRIL 2025

Robert Parker
WINE ADVOCATE

A Tenuta Regaleali Tasca d'Almerita brand, Tenuta Whitaker is a very special estate on the tiny island of Mozia, surrounded by salt fields, that is an outstanding destination for lovers of ancient Phoenician art and culture. Indeed, this 2023 Sicilia Grillo Mozia is an exceptional product of unique lagoon-like growing conditions at sea level with loose sandy limestone soils with a salty marine base directly underground. Head-pruned vines with long pruning cuts that are typical of the Masala area are used in this vineyard. Winemaking is very simple, with five months of lees aging in stainless steel. This wine brings you straight to a sense of place. You can smell the sea breezes and taste those salt fields. There is so much brightness and pretty citrus fruit packed into a bottle that is simple, yes, but also exceptionally refreshing. This is one of my summer go-to wines.
