AUGUST 2022

Italian Wine Report

by Tom Hyland

Medium-intense purple with a lively mousse;
aromas of black plum, cassia and black orchid.
Medium-full, with a rich mid-palate, there is
bright, ripe fruit, good persistence and a very
dry finish with notes of dark chocolate and
plum. Very well made, with lovely varietal
character, and notable harmony. Enjoy over
the next 2-3 years.
