vinous

*Crushed green apples, sage and a spritz of lime form a spicy green-tinged bouquet as the 2021 Ribolla Gialla Maralba opens in the glass. This soothes with its silky textures as a core of brisk acidity adds a reverberation of tension. The 2021 finishes with a tart twang of citrus and saline minerals while keeping the mouth watering for more. Drink the Maralba for its energy or cellar it over the short term to reveal further depths.*
