## 2021 POLIZIANO ROSSO DI MONTEPULCIANO DOC

90

FEBRUARY 2023

vinous

*Wickedly fresh and floral, the 2021 Rosso di Montepulciano wafts up from the glass with a bouquet of wild strawberries, stems and all, plus touches of mint and blood orange. This steps softly yet with impact, impressing with fleshy red and blue fruits expertly offset by a salty core of minerality. Raspberry and blueberry preserves and rosy inner florals make the lightly tannic and medium-length finish a total pleasure. This is a beautiful blending of 80% Sangiovese and 20% Merlot.*
