The 2021 Cabernet Franc impresses with the peppery and savory herbal goodness I hope for from this bottling. Incense, dusty rose, crushed raspberries and sage fill out its spicy bouquet. It's lusciously round and soothing, with crisp red berry fruits and zesty acidity, adding lovely tension. The 2021 leaves a sour tinge that keeps the mouth watering as saline minerals and violet inner florals cascade throughout the long and gently tannic finale. What a treat.
