wine review online

*the 2017 Russiz Superiore Cabernet Franc, also from the Collio DOC. This wine took a day before I could truly appreciate it: fresh red-fruits aromas and lively cranberry-herbal-mineral flavors in a dry, medium-bodied red with grainy tannins, supple texture and good concentration. It is enjoyable now, but I'd give it two years to show at its best, considering how much my appreciation for the wine evolved overnight.*
