2021 SALLIER DE LA TOUR INZOLIA SICILIA DOC

JUNE 2022

vinous

The 2021 Inzolia is sweetly scented but also finessed and floral, with a dusting of confectioners' sugar and spice that gives way to ripe pear and hints of cardamom. This rushes the palate with soft textures, yet quickly takes on a reverberation of spicy green citrus, as nuances of tropical melon form toward the close. A salty flourish defines the finale, as the 2021 tapers off wickedly fresh and squeaky-clean, while leaving the mouth watering for more.
