2021 SALLIER DE LA TOUR SYRAH SICILIA DOC

92

SEPTEMBER 2023

vinous

The 2021 Syrah is youthfully restrained, slowly opening with coaxing to reveal peppery herbs, florals, dried black cherries and camphor. It's surprisingly juicy and zesty on the palate. Vibrant acidity propels its crisp wild berry fruits as balsam herbs and hints of sour citrus add further contrast throughout. This tapers off with tension and structure, yet its tannins are sweet and rounded. Licorice hints and a cranberry concentration slowly fade. The 2021 possesses a more immediate feel than previous vintages yet also has the balance for medium-term cellaring.
