

**2012 TENUTA DI
CAPEZZANA VIN SANTO
DI CARMIGNANO DOC
RISERVA**

DECEMBER 2020

Robert Parker
WINE ADVOCATE

What a beauty. The Tenuta di Capezzana 2012 Vin Santo di Carmignano inches forth from the tiny bottle slowly and ultimately reveals a spectacular color that is orange, copper and almost green at the same time. This Vin Santo puts on a real show thanks to its rich viscosity that slides, shifts and glistens in the glass..... This is a work of art and a clear passion project. Assigning a numerical score to an aspirational wine like this somehow misses the point, but here goes nothing.
