throughout Italy for over 30 years.

**2017 TENUTA  
SCERSCE "ESSENZA"  
VALTELLINA  
SUPERIORE DOCG**

91

FEBRUARY 2021

**Decanter**

As in most of Italy, Valtellina's summer was exceptionally hot and dry in 2017. Rain finally arrived at the beginning of September and the region's signature breezes continued through October, keeping the grapes healthy. Attractive perfumes of wild thyme and delicate meadow blossoms wait from the glass. Taut and mid-weight, this bursts with dark forest berries, citrus and minerals. Fine tannins cleanse the palate and lend textural complexity. There is sufficient depth to carry it through another five years. Drinking Window 2021 - 2025
