WINE ADVOCATE

The bouquet is elegant and streamlined, but this wine really comes alive in the mouth with fresh acidity and a zesty sense of energy derived from delicate berry aromas. A great value wine, the Tenuta Scerscé 2018 Rosso di Valtellina Nebbiolo Nettare opens to a lean and compact appearance with wild berry, violet, crushed stone, licorice and some iron ore, while the finish is tart and crisp. It would be great with sliced pears and cheese. This was a wonderful release of 16,200 bottles.
