**2021 VIETTI  
DERTHONA  
TIMORASSO COLLI  
TORTONESI DOC**

**MAY 2023**

**JEB DUNNUCK**

A pale straw color, the 2021 Derthona Timorasso is set to be released in May of 2023. It has a savory richness to its aromatics of pine resin, fresh lime flower, and melon and is tangy on the palate, with medium body, saline, the stony texture of wet asphalt, Meyer lemon, and chamomile. It feels very much like a Chenin Blanc, but a fresh style in a warm vintage. It is long on the palate with mineral persistence.
