TERRO RIST

Vibrant aromas of raspberries and tart cherries, covered in smoky earth, rose petals, graphite, slight tones of soy, white pepper and mushroom broth. Fresh and bright on the palate, focused, accessible but has some structure to the tannins as well. Raspberries, cherries and red currants, mixed with savory, floral, spicy tones (clove, anise, spiced tea), with mineral, earthy undertones. Drinking great now. Sourced from 15 different Grand Crus, vinified separately and blended later. **Really solid, value-driven baby Barolo here.**
