## 2020 TENUTA DI CAPEZZANA VILLA DI CAPEZZANA DI CARMIGNANO DOCG

MARCH 2024

vinous

Opening like a veritable spice box, the 2020 Carmignano Villa di Capezzana entices with its autumnal blend of allspice, clove, and star anise before giving way to steeped plums and sage. It's silky and refined, with supple textures and ripe red and blue fruits that swirl across a stream of vibrant acidity. It leaves a pleasantly chewy sensation while finishing with fine-grained tannins and a staining of primary concentration. Wait a full minute and hints of white pepper still linger. Wow. While richer than usual and easier to appreciate out of the gate, the 2020 is balanced for a long and steady evolution.
