2001
Region:
Sardinia

FEBRUARY 2020

**Surrau "Sciala" Vermentino di Gallura
DOCG Superiore - 2018**

vinous

Deep straw color. Wet stone and flint complement aromas of apple and pear; this is more mineral than Surrau's Branu Vermentino. Then very long and deep with a concentrated, rich and tactile mouthfeel that lasts on the long back end.
- Ian D'Agata
