**Tenuta di Capezzana Ugo Conti
Bonacossi Toscana IGT - 2016**

This wine represents a special selection of organic Sangiovese. The Tenuta di Capezzana 2016 Ugo Contini Bonacossi shows great balance and harmony with highly distinctive varietal aromas. It opens to wild berry, cherry, pressed violet and earth. However, these aromas are slightly darker or heavier in character, keeping in line with the distinctive qualities of a growing region located west of Florence toward the Tyrrhenian Sea. This expression saw 4,939 bottles made.
