Riff Pinot Grigio Delle Venezie DOC - 2019

THE 20 BEST CHEAP WINES UNDER \$20 FOR
2021

This is the Pinot Grigio you are looking for. It's under screw cap, it has a fun label looking dope in a beach bag and it's under 10 bucks. **Oh, and it's really good!** This bottle really defines how Pinot Grigio can still be expressive and balanced, even at a high production rate. It has vibrant acidity and smells like sliced apples.

For a cheap Pinot Grigio you can't go wrong here. Ready to be the bottle you pop for whatever you have going on. It is crisp with good, ripe fruit. **It's a great bottle to buy a case of in the name of spontaneity.**
