

MARCH 2021

**Badia a Coltibuono "Montebello"**  
**Toscana IGT - 2015**

**Forbes**

When it comes to modern reds from Tuscany, we tend to think of Sangiovese-dominant blends. However this Super Tuscan from Badia a Coltibuono incorporates nine regional grapes in a throwback to the old field blend style of Tuscan winemaking, with each varietal fermented and aged individually, then blended together. So much going on here earthiness, florals, ripe cherry fruit and even a hint of smokiness.
