Selvapiana is one of the best producers of the Chianti Rufina region and this is their basic, put-it-on-your-table-everyday wine. It is primarily Sangiovese, with a touch of traditional varieties, Canaiolo, Colorino, and Malvasia Nera. It's a beautiful, cheerful, well-crafted wine showing bright, light ruby color and aromas of red cherry and strawberry with balsamic notes and a touch of lemon verbena. It is light and vibrant in the mouth with red cherry, berry fruit, a hint of fresh rose and citrusy acidity. Tannins are ripe, yet assertive providing a balanced structure. It can dress up a juicy burger, or a simple pasta with tomato sauce.
