WINE ADVOCATE

The organic Cultusboni 2019 Sangiovese Colmaia is fresh and informal with plenty of bright primary fruit. In fact, this wine is all about simplicity and ease-of-drinking thanks to its playful aromas of cherry, raspberry and cassis. There are hints of bitter almond and fresh mint. Freshness is the name of the game for this lasagna-ready red.

Cultusboni is a line of informal and well-priced wines from Badia a Coltibuono.
