Masseria Li Veli "Askos" Susumaniello Rosato Salento IGT - 2020

THE 25 BEST ROSÉ WINES OF 2021

RANKED #3 Deeply flavorful with excellent concentration, this well-rounded rosé wowed our panel. Essences of licorice, basil, and red fruit make this wine stand out among the pack. Soft and creamy with a subtle dollop of sweetness. The wine is round on the palate, yet it's crisp and refreshing. It smells like honeysuckle and orange blossoms, with an affordable price point, it's a great bottle to bring to summer gatherings large and small.
