How about a glass of this delightful Rosé made from Negroamaro/Negro Amaro from the Falvo family in Puglia, aka the heel of Italy's boot? It has a brilliant golden rose-pink color, clearly a short time on those black grapes. Aromas of fresh, juicy strawberries and raspberries with a floral note welcome intense flavors of strawberries, raspberries and red plums intensified by vibrant acidity. It is bone dry making it a great treat on the table with grilled salmon or a summer pasta salad.
