Tangy and bright with a delicate mid-weight approach on the Dolcetto scale, the Tenute Cisa Asinari dei Marchesi di Gresy 2019 Dolcetto d'Alba Monte Aribaldo takes longer to pronounce than it does to drink with a quick snack of fried mozzarella sticks or rice balls. With this production of 20,000 bottles, this estate strives to make a leaner and more palatable expression of Dolcetto without all the extra fruit weight.
