### Selvapiana "Bucerchiale" Chianti Rufina Riserva DOCG - 2017

[JAMESSUCKLING.COM](https://www.jamesuckling.com)

Very intense blackberries and spice with some earth and violets. Really complex. Full-bodied with layers of ripe tannins, yet they are firm and formed. Shows how well this cool area does in a hot vintage. Attractive now, but needs time to open. Try after 2023.
